### Mission

The East Mountain Chamber's primary goal is to bring economic growth to the East Mountain Community by supporting our local member businesses. We actively promote, refer, and offer networking opportunities to our member businesses. We also support in giving back to the East Mountain Community as a whole.

## Connecting Business with Opportunity

Participation in the East Mountain Chamber (EMCC) is a significant part of placing your business in the right place at the right time. Your participation can increase the community's awareness of your business.

We endeavor to pursue excellence in connecting business and community through our programs, community service and publications. In addition, we offer educational workshops, seminars, and business mixers.

Whether your business is new or established, joining the East Mountain Chamber of Commerce is a great way to network and build your business.

### MARKETING

- Press releases.
- Ribbon cutting and ground breaking announcements for your business sent to local papers, displayed on our Website, and e-mailed to our members via our e-newsletter.
- An opportunity to be randomly drawn as the featured business of the month with a feature on the Chamber Website banner, and in our e-newsletter.
- Information packet advertising containing your business information sent to new East Mountain arrivals in response to inquiries about the area.

- Special advertising opportunities (see Membership Benefits).
- Website member directory listing at [www.EastMountainChamber.com](http://www.EastMountainChamber.com).
- Monthly Chamber luncheon meetings—a great networking and marketing opportunity—feature guest speakers, current and new member presentations. They are held the first Thursday of every month, 11:30 a.m.-1p.m., at Los Vecinos Community Center in Tijeras.
- Business mentions and event notices in various local publications.
- Member restaurants are in the catering rotation for Chamber luncheons and events.
